Our 1st Community Service Event in 2017-2018 Sorority Year

July 9, 2017

Sorors,

I would like to send violets to our Social Action Committee and Emergency Response Team who serviced our community by hosting a table at the Heritage Reston Annual Cookout at Heritage Fellowship Church. Sorors held a voter registration drive and distributed starter kits for Emergency Preparedness Bags. We handed out over 65 starter kits to church members and Reston residents.
